- AWARD.—The right is reserved, as the interest of the Government may require, to reject any or all bids and to waive any minor informality or irregularity in bids received. The Government may accept any item or group of items of any bid unless qualified by specific limitation of the bidder. UN-LESS OTHERWISE PROVIDED IN THE SCHEDULE, BIDS MAY BE SUBMITTED FOR ANY QUANTITIES LESS THAN THOSE SPECIFIED; AND THE GOVERN-MENT RESERVES THE RIGHT TO MAKE AN AWARD ON ANY ITEM FOR A QUANTITY LESS THAN THE QUANTITY BID UPON AT THE UNIT PRICE OFFERED UNLESS THE BIDDER SPECIFIES OTHERWISE IN HIS BID. The contract shall be awarded to that responsible bidder whose bid, conforming to the Invitation for Bids, will be most advantageous to the Government, price and other factors considered. An award mailed (or otherwise furnished) to the successful bidder within the time for acceptance specified in the bid results in a binding contract without further action by either party.
- 2. LABOR INFORMATION .- Attention is invited to the possibility that wage determinations may have been made under the Walsh-Healey Public Contracts Act providing minimum wages for employees engaged in the manufacture for sale to the Government of the supplies covered by this Invitation for Bids. C. Requests for information should state the Invitation number, the issuing agency and the supplies covered.
- 3. DISCOUNTS.—(a) Prompt payment discounts will be included in the evaluation of bids, provided the period of the offered discount is sufficient to permit payment within such period in the regular course of business under the delivery, inspection, and payment provisions of the Invitation and Bid.
- (b) In connection with any discount offered, time will be computed from date of delivery of the supplies to carrier when delivery and acceptance are at point of origin, or from date of delivery at destination or port of embarkation when delivery and acceptance are at either of those points, or from date correct invoice or voucher (properly certified by the Contractor) is received in the office specified by the Government if the latter date is later than the date of delivery.
- 4. PRICES.—Unit price for each whit bid on shall be shown and such unit price shall include packing unless otherwise specified. In each case totals shall be inserted in the Amount column of the Schedule.

- 6. COMPUTATION OF TIME.—Time, if stated as a number of days, will include Sundays and holidays.
- 7. SAMPLES. Samples of items, when required, must be submitted within the time specified and at no expense to the Government; if not destroyed by testing, they will be returned at bidder's request and expense, unless otherwise specified in the Schedyle.

- (b) Corrections. Erasures or other changes in bids must be explained or otherwise noted over signature of bidder.
- (c) Late. No bid or modification thereof received after the time set for opening will be considered except that when a bid or modification arrives by mail after the time set for opening, but before award is made, and it is determined by the Government that nonarrival on time was due solely to delay in the mails for which bidder was not responsible, such bid or modification thereof will be considered.
- (d) Mistake. Bidders are expected to examine the drawings, specifications, circulars, Schedule, and all instructions pertaining to the supplies or services. Failure to do so will be at the bidder's risk. In case of mistake in extension of price, the unit price will govern.

- 13. NO BID.—In the event no bid is to be submitted, DO NOT return the invitation unless otherwise specified. However, a letter or post card should be sent to the issuing office advising whether future invitations for the type of sapplies or services covered by this invitation are desired.
